

Creating an account

Last Modified on 04/03/2026 3:58 pm EST

Create an account on the app.benchsci.com signup page OR log in through your enterprise single sign-on (SSO) link

1. Go to signup/login page: app.benchsci.com

Note: Select industry customers have enabled single sign-on (SSO) to access the platform with a dedicated link and institutional credentials. [Click here to learn more.](#)

2. Click "Sign up"

3. Enter your institutional email address and name

SIGN UP >

4. Create a secure password

- Your password must contain:
- ✓ At least 8 characters
 - ✓ At least 3 of the following:
 - ✓ Lower case letters (a-z)
 - ✓ Upper case letters (A-Z)
 - ✓ Numbers (0-9)
 - ✓ Special characters (ex. !@#\$%^&*)

5. Verify your email address: An activation email will be sent to your email inbox

Check Your Email!

We've sent an email to employee.name.test2@benchsci.com with instructions to verify and access your account.

[Back to Login](#)

Be sure to check your spam folder for an email from support@benchsci.com.
Didn't receive it? Email support@benchsci.com or chat with us.

6. Open the email and click "Activate Account"

7. You're ready to log into ASCEND: app.benchsci.com

8. Start searching!

Note: This landing page may look different depending on your user type (industry/academic) and access level.
